

**Art KS 3****Queuing and Waiting**

**1. In a small group, explain your reasons for the piece of artwork you propose for a hospital or an airport waiting area.**

Use your notes and sketches to justify your proposal.

Explain how you intend to make it, what materials you will use and which artist's work you have used to develop your ideas.

At the end of the discussion make a note of any suggestions and changes you think might be useful to develop your ideas.

**2. Using resources available create your proposed work.**

Make further notes on any changes you have to make in order to produce it.
