

Citizenship KS 4

Issues of Security

1. a) Make a list of all the machines that are used in school.
 - b) Make a list of all the machines at home.
 - c) Note down what machines you use throughout an average day.
 - d) Review your lists and notes. Are there any items where alternatives could be used to achieve the same outcome? E.g. word processor / pen or pencil.
 - e) Make a list of any alternatives to the machines.
 - f) Do we live in a society where machines 'dominate' humans? Do we rely on machines too much?

Write your opinion on the questions above, using the information from your lists and notes to help justify your views.

2. Some machines are made to monitor human behaviour.

Design and write the opening page of a graphic novel entitled 'Cyborg Surveillance'
