

Citizenship KS3/4  
Maps to elements of Literacy KS3 & ICT KS 4

School & the Local Community

**1. The magazine 'The Future Now' has commissioned you to write an article entitled 'The role of the school in the future'.**

To do this you need to think about the following questions:

- Will there be schools in the community in the future?
- What will they be like?
- How will they be organised?
- Will all learning be done through ICT?
- How will social aspects of education be taught?

Have a go at writing the article using your answers to the above questions to help.

**2. The Local Education Authority (LEA) is prepared to supply funding for your school to improve community involvement. They have requested a report on how you would use the money.**

Write a report to show the results of what you have achieved so far [use your survey and questionnaire from the previous worksheet] and what you are aiming to achieve.

Remember to use a suitable style for the audience and purpose of the report.
